

## **THIRD CONFERENCE ON STELLAR ASTROPHYSICS**

**To honor Prof. Dr. Juan J. Clariá**

**June 21st to 24rd, 2016 , Córdoba, Argentina**

### **FIRST CIRCULAR**

Córdoba, December 16, 2015.

We are pleased to invite you to participate in the "Third Conference on Stellar Astrophysics" to be held in the Observatorio Astronómico de Córdoba (Argentina) from June 21st to June 24rd, 2016. The "First and Second Conferences on Stellar Astrophysics" took place in 2008 and 2011 at the Astronomical Observatory of Córdoba (Argentina) and in Tafí del Valle, Tucumán (Argentina), respectively. Their aim was to open up a forum for multi-way communication as a space for exchange and discussion among researchers, young astronomers and students in the different areas of Stellar Astrophysics. The "Third Conference on Stellar Astrophysics" is now organized to pay tribute to the trajectory of Dr. Juan J. Clariá, Honorary Professor of the Universidad Nacional de Córdoba, Superior Investigator of CONICET and Member of the Argentinian National Academy of Sciences. Dr. Clariá is an undisputable worldwide referent not only for his outstanding scientific work but also for his professional ethics and recognized personal integrity.

Hoping to host you here as participant, we remain, yours sincerely,

Organizing Committee
